U.S. Customs & Border Protection (CBP) Duty Payment Form

Goods imported into the United States may be subject to U.S. Customs duties, fees and taxes. There are options for making these payments to U.S. Customs in a timely manner in order to avoid penalties and liquidated damages. Please review and mark your preferred payment type below.

1. As a U.S. Customs Broker, Royal Customs Brokers DBA Speed International Logistics processes ACH (Automated Clearing House) duty payments to CBP. Effective January 1, 2020 we are able to pay duties, taxes and fees on your behalf to CBP for the amount owed plus a 2.95% disbursement fee, minimum \$21.00 USD.
2. If you already have an existing ACH account set up with CBP, please indicate your CBP assigned Payer Unit ID# here _____. Also, if you are a PMS participant (Periodic Monthly Statement) please indicate here _____.
3. If you are not currently an ACH/PMS participant and are interested in enrolling, please request a CBP 400 form or go to the below links for additional information.
